Republic of Kosovo

Dear Madam President,

On behalf of the people of the United States, please accept my warmest congratulations to you and the Kosovan people as you celebrate Independence Day. Kosovo's journey as a sovereign nation has been marked by resilience and determination.

The United States fully supports Kosovo and its commitment to building a democratic society where all its citizens can live and thrive together. The ties between our people are strong and we look forward to expanding those links, including through increased investment opportunities, to bring greater prosperity to both our nations. The United States will continue to work with Kosovo as it strengthens democratic institutions and promotes economic growth through a stable and fair business environment.

The United States is looking forward to building a more productive relationship with the Kosovan government in the coming year. As we work with Kosovo and its neighbors to build a more prosperous and secure region, it is important for Kosovo to further integrate with the Euro-Atlantic community. Kosovo's unwavering support for Ukraine in the face of Russian aggression is greatly appreciated.

The anniversary of Kosovo's independence is a time to honor past achievements as well as look toward a brighter future and deeper ties between our nations. I send my best wishes to the people of Kosovo on this day of celebration.

Sincerely,

Donald J. Trump
